The RFA is available from 717 14th Street, NW, 12th Floor, Washington, D.C. 20005. For information, call Dionne Reeder at 202-727-6537.

Foundation Opportunities

Technology Initiatives. *The NEC Foundation of America* makes cash grants to nonprofit organizations and programs with national reach and impact in science and technology education. The program specifically funds education initiatives at the secondary level and the application of technology to assist people with disabilities. There is no application form, but interested applicants should visit the NEC Foundation Web site for proposal guidelines. The next deadline is September 1, 2000. Contact (516) 753-7021 or visit www.nec.com/company/foundation.

Youth Education and Training in Urban Areas. *The Janx Foundation* provides funds for youth education and training programs. The foundation supports either established or new, innovative programs. The next deadline for letters of inquiry is July 31, 2000. Individual grants can range up to \$20,000, but generally will be in the area of \$5,000. Full application details available online at <http://fdncenter.org/grantmaker/janx/>.

Youth with Disabilities and Technology. *The Mitsubishi Electronic America Foundation* solicits proposals to incorporate innovative technological approaches to helping disabled children and youth. Emphasis is placed on programs that use technology to advance the independence, productivity, and inclusion of youths with disabilities. Three-page concept papers are due July 1, 2000. For more

information, contact (703) 276-8240. Also see www.meaf.org.

Literacy. *The Starbucks Foundation* makes grants of up to \$10,000 to foster literacy among children and youth. Applications are available only through store managers. The deadline is July 1, 2000. For more information, contact the foundation at (206) 447-7950 ext. 87022. Also see www.starbucks.com.
